SAMPLE CHAIRS

Why not take it for a spin?

We're always delighted to send sample chairs to demonstrate the comfort and craftsmanship we're so proud of.

Samples are invoiced on delivery and a credit note issued when the chair is returned in the same condition within 15 working days.

ARC MEETING CHAIR

Operating instructions

All adjustments should be made whilst seated

1. Chair height adjustment

The overall height of the chair is adjusted by lifting the lever located below the seat on the right hand side. Lift your weight off the chair allowing it to rise and release the lever at the desired height. To lower simply lift the lever.

2. Synchronised recline

Arc has a unique, Body Balance synchronised recline of the seat and back. There are no levers or other controls. The chair adjusts automatically for user weight and provides constant support as the chairs follows the users movements.

ARCL19G	450-550	500	600	430	600

NOTE

All unit measurements are in millimeters (mm).

Options

ARCL19B

Black/Black, black base

ARCL19G

Black/Dark grey, black base

Care & Maintenance

PLASTIC

Please use a soft, damp, non-abrasive cloth for cleaning plastic parts. Subsequent gentle drying is recommended. For stain removal, we recommend using a mild commercially available cleaner. Never use abrasive cleaning agents such as powders or pastes, or aggressive all-purpose cleaners like alcohol, as these may damage the surface. We recommend that you avoid exposing your chair to the sun for any longer than is necessary.

MESH & COVER FABRIC

To care for cover fabrics, simply Hoover dust and lint regularly using an upholstery nozzle. Any fresh stains can typically be removed by wiping immediately with an absorbent, lint-free sponge or cloth. Start from the outer edge of the stain and work inwards to avoid creating a halo effect, using normal household distilled water to prevent limescale residue.

ALUMINIUM PARTS

For quick removal of contaminants on polished high-shine, matte chrome and aluminium surfaces, apply a glass cleaner with a clean, soft cloth and subsequently wipe the surface dry with a soft cloth. Always clean metal surfaces gently and without scrubbing so that the surface is not scratched. Never use cleaners containing granular substances, acetic acid or citric acid.

GENERAL CARE

To minimise the risk of damage please take some simple precautions:

Avoid exposure to excessive heat from a fire, radiator or local high temperature light sources.

Before using any cleaning product, you should test it on an inconspicuous spot. Please follow the cleaning product manufacturer's instructions and contact a professional cleaning company in case of stubborn dirt or stains.

Warranty

All of our task chairs come with a 5 year structural guarantee, excluding fair wear and tear, and damage or failure caused by misuse. The guarantee applies for use up to 8 hours a day by users up to 150kg. Manufacturer's warranty applies to all fabrics.

Summit reserves the right to refuse replacement or repair if we feel that the product has been abused or has been accidentally damaged by another party. Summit also reserves the right to attempt

to repair any damaged or faulty products before a decision is made to replace them. In this case, we shall not be liable for any loss occurred by the distributor or customer during this period. Summit will not be liable whatsoever for any consequential damage, loss or other expenses whether arising out of contact, negligence or otherwise. Any alterations to our products in any manner will automatically nullify any guarantees offered by Summit.
