

Inflexion IF81ADJ

DESCRIPTION

One of our all-time best sellers, the Inflexion features in offices up and down the country and on one or two BBC dramas too. This range is elegant yet hardy, supremely comfortable and packed with features to make getting on with your day that bit easier. This model features our Operator Plus mechanism which allows back and seat tilt adjustment and has tension control so you can adjust the back resistance to your preference. Shown with optional aluminium base
