Build it yourself

Mila seating units can be linked together to create an infinite variety of layout configurations. To link 2 Mila seat units together, one will require the optional left hand (LH), as seated, linking fitted. The other will require the optional right

hand (RH), as seated, linking fitted. Please can you state for each unit ordered what is required. For complex layouts, to ensure we interpret your requirements correctly, we will also ask for a plan drawing of your layout.

Care & Maintenance

COVER FABRIC

To care for cover fabrics, simply Hoover dust and lint regularly using an upholstery nozzle. Any fresh stains can typically be removed by wiping immediately with an absorbent, lint-free sponge or cloth. Start from the outer edge of the stain and work inwards to avoid creating a halo effect, using normal household distilled water to prevent limescale residue.

METAL PARTS

Clean with lukewarm soapy water and rinse off with clean water. Wipe the entire surface with a clean, dry cloth.

WOODEN FEET

The furniture should be regularly cleaned with a soft, dry cloth. If required, a damp, soft cloth may be used. Do not use abrasive, ammonia, bleach, spirit or oil-based cleaners, including D10 sanitiser. Periodically check and tighten hardware as necessary.

TOPS: MFC LAMINATE

All MFC products can easily be cleaned with a damp cloth and a mild soap, or detergent if necessary, and buffed dry with a clean cloth. Never use abrasive powders or scouring pads to clean stubborn marks. In extreme circumstances, a mild alcohol product can be used, however this must be followed by a damp cloth soaked in water, ensuring no alcohol residue is present afterwards.

SAFETY WARNINGS

Furniture can be dangerous if improperly assembled or installed. Assembly should be completed by a qualified person following the provided assembly instructions.

Do not stand on furniture, as it could cause a fall. With assistance of another person, always lift, do not drag large or heavy furniture into position.

Warranty

All of our seating come with a 5 year structural guarantee, excluding fair wear and tear, and damage or failure caused by misuse. Manufacturer's warranty applies to all fabrics.

Summit reserves the right to refuse replacement or repair if we feel that the product has been abused or has been accidentally damaged by another party. Summit also reserves the right to attempt to repair any damaged or faulty products before a decision is made to replace them.
